FEE REGULATORY COMMITTEE (TECHNICAL), GUJARAT STATE, AHMEDABAD

FEE DETERMINATION PROCESS FOR ACADEMIC YEAR 2014-15, 2015-16 & 2016-17

CIRCULAR

In connection with the fee determination process for the academic year 2014-15, 2015-16 & 2016-17 for professional courses run by the self-financed institutions in the State, the Fee Regulatory Committee has received proposal for revision of the fee structure through online portal.

The Commissionerate of Technical Education is in the process to create a separate web-portal called "Know Your College – (KYC)" in which comprehensive details of each institution, such as academic details, faculty details, infrastructure, location, results, campus recruitment etc. can be obtained at one place for all the stake holders, particularly the students and their parents who seek admission in various professional courses. For the purpose, relevant data has been collected from all the professional institutions in the State through online portal.

As a part of the said process, for validation of all the qualitative as well as quantitative aspects at the campus of each institute, it has been decided to send expert team to each self-financed professional institution. Accordingly, the expert team appointed by the Committee will be visiting each self-financed professional institute on any day but not later than 11.07.2014.

All the self-financed professional institutions are informed to keep all the documents, such as FRC Report, FRC Staff report, KYC report, Audited Accounts, etc ready for verification by the expert team, so as to enable them to complete the process without any delay.

Cooperation from the institution is solicited in the process.
