Dt. 15th Sept, 2017.

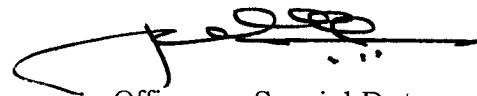

As per the authority conferred upon me by the Fee Regulatory Committee (Technical) wide its resolution dt.12th September, 2017, I am issuing the following circular.

CIRCULAR:-

It has come to the notice of the Fee Regulatory Committee through memorandum submitted by the students and media reports that many institutions covered under the Gujarat Professional Technical Educational Colleges or Institutions (Regulation of Admission and Fixation of Fees) Act, 2007 are collecting different amounts under different heads over and above the fee structure determined by the Committee and in particular in the name of Caution Money or Deposit or in any other name akin to it. Under the Act this is not permissible and it amounts to committing contravention of the order of the Committee made under section-10 of the Act. In such case the Committee will be constrained to take action against the defaulting institution under section-13(2) and or under section-14 of the Act.

Every institution is therefore, directed to file before the Committee declaration-cum-undertaking on oath, as per proforma, on solemn affirmation made by the Head of the institution that no other amount is being collected by it over and above the fee determined by the Committee on/or before 22nd October,2017.

Any person in knowledge of any institution contravening the fee order of the Committee is at liberty to approach the Committee and lodge complaint before it together with authentic and reliable documentary evidence.
